

## About IETA UK & Ireland

IETA is the professional body and regulator for the Equine Touch Modalities. The Association provides valuable support for students and practitioners throughout the UK and Ireland and is responsible for all sorts of administrative tasks, encouraging student membership, organising and recording ongoing professional development and support, and where necessary, policing and investigating complaints against its members. Set up in 2004—it is run 'by the members for the members'.

Every Equine Touch, VHT and Canine Touch Practitioner and Practitioner Route student is obliged to belong to the Association to ensure that our modalities are kept legal, ethical and have quality assurance.

### Membership Costs

Practitioner £50 Student £30 Associate £20 **To become a member contact**
